Dear Friend,

Danbury Grassroots Academy derives most of its annual operating budget through contributions from individual contributors, foundation grants, and local businesses. A direct financial contribution is one of the best ways you can assist the program. DGA's annual budget is approximately \$250,000, therefore each dollar contributed greatly assists our efforts to provide these children a healthier and brighter future. As our program has expanded and now provides educational counseling to as many of our kids as possible, we need contributions more than ever.

Please fill out the form below to send us a contribution, or feel free to call Carl Bailey, Founder and President, directly at 203.743.5040 or Lauren Dalton, Director, directly at 203.797.0500 to discuss a contribution.

Contributions of any size are greatly appreciated, and are tax deductible.
