

Dear Grassroots Supporter:

June 10, 2021

It is with great pleasure that we invite you to participate in our 15th Anniversary Golf Celebration fundraiser on Monday, September 13, 2021 at the **RIDGEWOOD COUNTRY CLUB** in Danbury, CT.

DGA is a free, year round program serving 55-60 students, ages 8-18 each year. Our mission is to improve the lives of promising, selected students in Danbury emphasizing education, character, tennis, and health.

Our goals: To stress the critical importance of education; to provide tools necessary to develop honorable character traits; to teach the basics of tennis; and to emphasize the value of nutrition and exercise. Long term objectives are to improve report card grades, reading levels, high school graduation rates and establish career paths or college education.

- ✓ In the fall, our Class of 2021 graduates will attend Clark University, University of Connecticut, Eastern Connecticut State University and Naugatuck Valley Community College.
- ✓ To date, we are proud to have a 100% high school graduation rate *and* all students have gone on to attend college or begin a career.
- ✓ The majority of our students improve their reading levels during the school year as well as over the summer slide.
- ✓ Over 40 students have made the Honor Roll multiple semesters.
- ✓ Annually, DGA students receive: Certificate of Character, Student of the Month, and DGA's Academic Awards
- ✓ Over 40 participants have played Varsity High School tennis. This year, three of our high school students served as their team captains or have been chosen as captains next year.

Please see the attached form for more information on player registration & sponsorship levels. Please contact Jane Lindenburg at jane@danburygrassrootsacademy.org or (203) 797-0500 with questions.
